

Harvest Leadership Prayer Breakfast

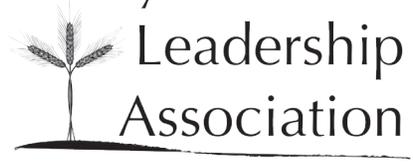

In 1978, several business leaders from the Fargo-Moorhead community met to discuss their faith and its impact on their personal and business lives. They decided to share their faith in God with their peers and organized the first annual prayer breakfast.

Today, the Harvest Leadership Prayer Breakfast represents an annual autumn tradition in the Red River Valley. Hundreds from around the region come together to break bread and to thank God for His many blessings on their lives, to affirm their trust and faith in Jesus Christ as their Lord and redeemer, and to pray for the power of the Holy Spirit in reaching non-believers with the good news of the gospel.

For participants, the event is a source of encouragement, renewed commitment and fellowship with brothers and sisters in Christ. A guest speaker is always invited to share an inspiring message of faith.

The event is open to all people without regard to age, gender or church affiliation. Christians are encouraged to invite non-Christian friends, neighbors and business associates.

Valley Christian Leadership Association

Founded in 1978 by Art Grimstad and Howard Dahl, the Valley Christian Leadership Association's primary purpose was to help bring together people of faith, to reinforce common bonds of all Christians and to encourage Christians to grow in their faith through the formation of local Bible study groups.

Building on this core purpose, VCLA in 2004 adopted a new mission: To partner with churches and other Christian leaders to more effectively apply Biblical Truth to have an impact on their world for Christ.

Specifically, our desire is to help plan, sponsor and organize events that will help Christian leaders:

- Enrich their understanding of the Bible and its application to their lives
- Increase their knowledge of the historic Christian faith
- Strengthen their witness and impact on their families, friends and workplaces for the advancement of Christ's kingdom
